MUSIC        “SUN” JONSI

SONYA        I almost put salt on my rice crispies this morning. Pretty sure I was late with turning in my taxes. And I’m still paying off my student loans. My name is Sonya. I am 25 years old and I am a foster mom.

NARR        Despite the myths, there is never a perfect time to foster a child in need. Visit [adoptuskids.org](http://adoptuskids.org) for more information about becoming a foster parent.
